

## Sheridan Community Hospital Tree of Lights

Greetings Friends,

As a community Member, Sheridan Community Hospital would like to offer you an opportunity in supporting the hospital through a donation to our Tree of Lights 2021 Campaign. Your financial gift provides funds for the hospital's memorial fund which raises money for programs, equipment and education that benefit over 60,000 people in Montcalm County and the surrounding communities.

This is also an opportunity to honor or remember those special people in your life and make a difference in the lives of others.

Your gift, no matter the size, makes a difference. Donors will be recognized in many ways, including displayed during our Tree of Lighting Ceremony, on our donor board, in the local paper, in our hospital, and in the hospital promotional communications.

Please complete the form below and return to the hospital. Send to Tree of Lights Campaign at 301 N. Main St. Sheridan, MI 48884 or visit our website at [www.sheridanhospital.com](http://www.sheridanhospital.com) to donate.

Thank you for your contribution!
